

Partner profile template

Guidelines on how to create and submit a new partner profile to the Dynamicweb website.

Please submit the following information and material to klu@dynamicweb.com

1. **Company name**
2. **Company teaser** (headline)
3. **Company description** (short text)
4. **Company logo** (png, jpg or vector format)
5. **Company location**
6. **Company phone and email**
7. **Company website**
8. **Company cases** (see the case-template)

Make sure you submit your partner profile in English, and in local language, if you wish to improve your appeal on a specific Dynamicweb country version – .dk, .no, .se, nl etc. (otherwise the English version will be used). Find inspiration for your partner profile on www.dynamicweb.com/partners
